### This Week's Early Literacy Skill: Phonological Awareness

Phonological Awareness focuses on the ability to hear and play with the smaller sounds in words. Aside from being fun, singing songs with your baby helps him hear words being broken up into smaller sounds. Later this skill helps with phonetic reading.

Babies & Books (Birth—17 months) is on Wednesday mornings at 10:00, 10:30, 11:00, & 11:30am
