This Week's Pre-Reading Skill:  
**Vocabulary**

Developing vocabulary means being able to use and understand many words including using descriptive phrases.

At home, you can...

- Read, Read, Read! Books are an important way for children to learn new words that they will not learn by watching TV.
- Talk about new words that your child encounters. Have your child repeat these new words.

**Toddler Storytimes (for 18 months—3 years old):**
